

WE STRENGTHEN **YOUR** BUSINESS WITH **OUR** RECRUITERS

ABOUT US

Splendit has more than 25 years of experience in outsourcing IT Consultants, both infrastructure and application profiles, in a mid-market model whilst keeping our H³ in mind:
Hungry – Honest – Human

MISSION

We want to unburden our clients, not only by providing the right IT consultant but also by helping to increase their **payroll IT staff**, expand their **freelance** network and even participate in **projects** related to recruitment.

WHAT'S NEW?

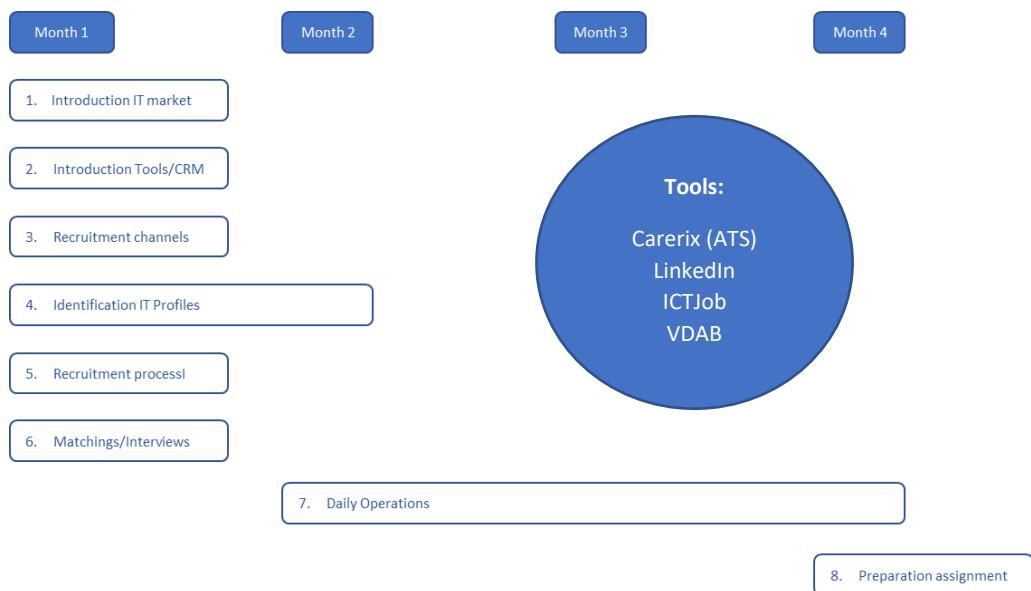

In 2023 Splendit has expanded its portfolio towards outsourcing of IT recruiters, always in our **mid-market model**.

Splendit values its clients and their trust by providing **skilled and experienced IT recruiters** who will fit easily in your environment for **short and long term assignments both full- and part-time**.

We hire **young graduates and high potentials** with a relevant background and train them internally in our Recruitment Academy.

RECRUITMENT

ACADEMY

... AND MORE

Our recruiters are not only trained in IT Recruitment but also participate in various projects such as **employer branding, social media, referral program, draw up of competence profiles, organizing events, gifts** and many more.

This will allow you, our customers, to broaden your scope when choosing Splendit's IT recruiters.
