

# WE EXPAND YOUR BUSINESS

## WITH OUR CONSULTANTS

### ABOUT US

Splendit has more than 25 years of experience in outsourcing of IT Consultants – both infrastructure and application related – in a middle-market model whilst always keeping our H<sup>3</sup> in mind: **Hungry – Honest - Human**

### MISSION

Next to our core business, outsourcing of IT profiles, Splendit is broadening its scope towards Customer Support consultants, whilst keeping in mind the specific requirements with regard to quality, agility and pricing for this type of business.

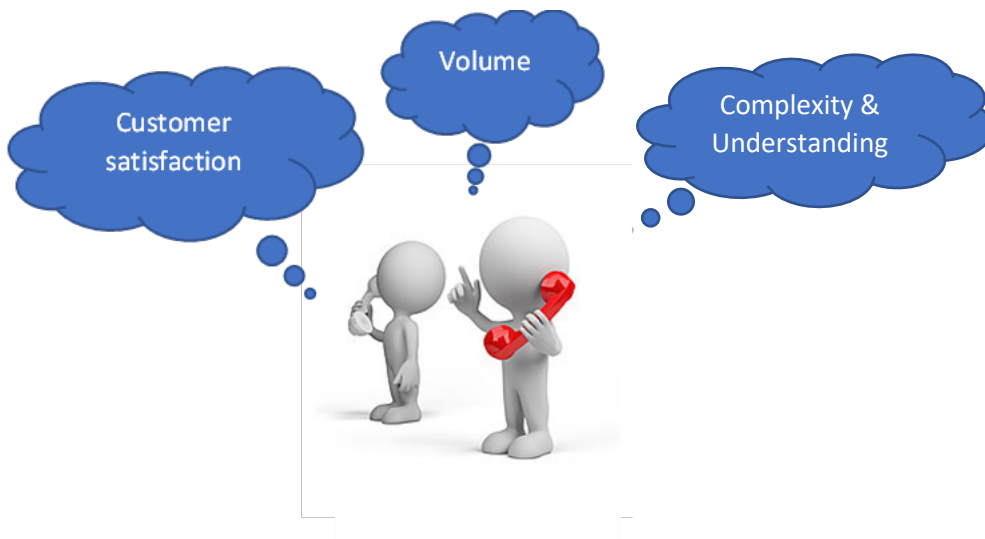

Always aiming the middle market, we provide high quality consultants for which we guarantee a close follow-up,

### WHAT'S NEW?

Customer Support Consultants provide B2B or B2C support on different products and/or services. The consultants have telephonic experience, multilanguage skills and excellent administrative and social skills. Since volume is very important in this type of business, Splendit can deliver teams up to +20 people in a timeframe of 48 hours.

Currently Splendit has more than 30 Customer Support consultants working on long term contracts in different type of sectors..

### SCOPE OF PROFILES

### ... AND MORE

Splendit also offers - free of charge - bid-competences in order to support you in answering tenders requesting this type of consultancy. Our combined forces will certainly meet up to your customers' expectations.

Interested in working together on Customer Support profiles?
